Dear Parent/Guardian

**Re: English Language Booster Sessions**

Your son/daughter has been identified as being a student who will benefit hugely from a short course of focused lessons directed at moving them from a potential 'D' grade to a 'C' grade in English.

The sessions will take place as part of the normal school day during Review Period, every Wednesday between 3pm and 3.40pm. Students will be required to attend each week, starting on Wednesday 11<sup>th</sup> March, for a total of nine lessons.

We would like to thank you in advance for your support in this matter.

Yours sincerely

Area Adviser for English
