

June 2008

Dear Parent/Guardian

Year 10 Examinations 2008

The Year 10 Examination Timetable, beginning **Monday 23 June**, is on the reverse of this letter.

Students should attend school as normal, in full school uniform, even when they are not scheduled to have an examination. Normal lessons will continue whilst the examinations are taking place.

Examination start times generally tie in with lesson times – there are some exceptions which are noted on the timetable. In particular, please note that students should go to Period 1 lesson on 24 June then make their way to the hall from there for a 9.20am start.

I would appreciate your support in ensuring your child is thoroughly prepared for these examinations. Revision is essential, as their performance in these and their Year 11 Mock Examinations, will determine whether a student is entered for the Higher or Foundation papers.

Yours sincerely

J Gill
Assistant Headteacher
