'3 ways to be'

1. Be respectful

Be polite and courteous with all members of The Appleton School community. Show respect by listening to staff and others and carrying out instructions.

2. Be ready to learn

Be on time to school and to all lessons, dress in full uniform smartly, be equipped.

3. Be the best you can be

Be responsible for your own learning, work hard, do all your work to deadlines, stay on task and to the best of your ability and be an ambassador for the school in the local community.

Whole School Policy on Pupil Behaviour

The development of pupil self-discipline is the goal that all staff works towards by appealing to the best in their pupils belief of the school's core values ("The Appleton Way")

Our core values are as follows:

- ☐ Be the best you can be
- ☐ Respect others
- ☐ Respect social diversity
- ☐ Keep others safe
- ☐ Respect the environment we share.
- ☐ Promote the school positively in the community

OUR AIM IS TO encourage pupils to develop and take ownership of their learning, in the context of social responsibility, by:

- ☐ Recognising and rewarding achievement
- ☐ encouraging effort
- ☐ clarifying the means whereby learning may be developed
- ☐ setting goals to modify behaviour
- ☐ influencing by negotiation
- ☐ providing support
- ☐ discussing and applying the Home-School Agreement

At The Appleton School we believe that.....

All members of the school community have the right to:

- ☐ feel safe, happy and secure
- ☐ be treated with respect
- ☐ be valued equally

A pupil also has the right to:

- ☐ have a suitable working environment where learning can take place
- ☐ receive all elements of the National Curriculum
- ☐ enjoy social and recreational time with fellow pupils.

A teacher also has a right to expect pupils to:

- ☐ bring equipment and completed work to lessons
- ☐ display suitable behaviour so that learning can take place
- ☐ be dressed in school uniform.

All members of the school community have a responsibility to:

- ☐ set a good example for the school
- ☐ care for each other and themselves
- ☐ show courtesy and respect to other people, their work, opinions and property
- ☐ keep the school neat and tidy.

It is especially important that pupils behave properly in public places when wearing The Appleton School uniform (See Appendix 1). Smoking, swearing and misbehaviour bring the good name of the school into disrepute and let everyone down.

Code of Conduct

We place great emphasis upon good behaviour. We expect all pupils to play their part in seeing that the school is a place where there is a well-ordered and safe environment where pupils can learn and achieve to the best of their ability. Our three golden rules, 'The Three Ways to Be', are intended to guide pupils and form the basis for our disciplinary structures.

1. Be Respectful

Be polite and courteous with all members of The Appleton School community. Show respect by listening to staff and others and carrying out instructions.

2. Be ready to learn

Be on time to school and to all lessons, dress in full uniform smartly, be equipped.

3. Be the best you can be

Be responsible for your own learning, work hard, do all your work to deadlines, stay on task and to the best of your ability and be an ambassador for the school in the local community.

SPECIFIC RULE

The following should not be brought to school:

Tobacco, lighters and matches, knives and other weapons, fireworks.

Jewellery (unless permitted in Uniform Code see Appendix 1), personal stereos, MP3 players, iPods and chewing gum will be confiscated.

MOBILE PHONES

Students do not need mobile phones in school; if they do bring phones onto school site then they do this at their own risk. If students do bring phones into the school site whilst in the building they should be stored away and **OUT OF SIGHT**. Pupils must not be using their phones for any reason inside the school buildings, including the changeover of lessons and therefore phones should **NOT BE "VISIBLE"**. (This includes listening to music or looking at the time from their phone within lessons).

If staff see a student contravening these rules their mobile phone will be confiscated, the students name will be taken and the phone handed into the front reception.

If a student's phone is handed into reception 3 times in a term the students' parents will be asked to collect the phone themselves.

Sixth Form students may only use mobile phones within the **SIXTH FORM BUILDING** and should set an example that we expect our lower school students to adhere to.

If a Sixth Form student is seen using their phone within the Main School Building staff will make the student's Form Tutor or Head of Sixth Form aware.

It is important that pupils and their parents should understand and accept the School's Code of Conduct.

POSITIVE LEARNING ENVIRONMENT: Strategies

Set out below is a list of suggested actions which may be used to help establish a learning environment.

1. Provision of purposeful, interesting, well-organised lessons with clear, articulated learning targets and a variety of stimulating resources.
2. Consistent prioritising of the tasks in hand, to promote learning.
3. Negotiation of ground rules between individual groups and their teachers – ideally from the outset.
4. Discussion of difficulties with group or individual pupil.
5. Recognition by the subject tutor of potential problems and sharing the concern with colleagues; in particular Area Adviser.
6. Consideration of advice. Development of personal strategies and teaching skills.
7. Negotiation of targets with groups or individuals to facilitate behaviour modification
8. Further consultation with Area Adviser.
9. Consultation with the Form Tutor, Year Manager and Assistant Headteachers.
10. Discussion, if necessary, between Form Tutor and Learning Support Adviser regarding Code of Practice which can also be used for recording and reviewing.

Behaviour Improvement Goals

If a pupil becomes a persistent source of trouble he / she can be put “On Report” by the Form Tutor, Pastoral Co-ordinators, Behaviour for Learning Coach, Head of Year or SLT.

A holistic understanding of the concerns can be obtained via the student’s SIMS record. This enables the setting of specific targets that directly relate to common teacher concerns. Whenever this is done parents should be informed.

The pupil will then carry a report card and subject teachers and the form tutor are to view the pupil’s targets, give a score out of five for each target, write a comment and sign each lesson or tutor session.

Any adverse comments will mean that the pupil will stay behind after school to make up unsatisfactory work. The report card should be presented to staff at the beginning of each lesson.

PASTORAL CONDUCT POINTS INTERVENTIONS.

Conduct points will be reviewed and updated on a weekly basis and the Head of Year informed. This will allow for the following systems to be put into place for students who are contravening whole school expectations.

1. SSA referral made - (call from class teacher) letter emailed home and Area report
2. Behaviour points over 30 (to 59) but 1-4 SSAs - 2 week white Tutor Behaviour report and discussion with parents and pastoral co-ordinator / Behaviour for Learning Coach
3. Over 60 points (to 99) or multiple referrals 5 or 6 SSAs - letter emailed home, 4 week yellow HOY report and meeting with Head of Year and parent.
4. Over 100 points or 7 or more SSA referrals meeting with link Assistant Headteacher and Behaviour contract (identify areas for change and additional support for student to achieve this i.e. input from CSS tutor, counselling) with a 3 week and 6 week review with parent and orange Senior Management Team behaviour report with specific behaviour improvement goals
5. Breaking of behaviour contract - Pastoral Support Programme (PSP)
6. Failure of PSP - CSS referral @ PR1 or PR2/ managed move/ alternative provision

SENIOR STAFF AVAILABILITY (SSA)

TO ONLY BE USED FOR SERIOUS OFFENCES OCCURRING DURING LESSON TIME

Clearly, this is intended for those students who seriously impede the learning of others or where attitude is untenable and where normal Area procedures are inappropriate and are not working.

1. Stages 1 to 3 of Stepped Approach to Discipline Across the School.
2. Work **must** be provided by the teacher at the time and the standard email be sent to SSA on the schools email system.
3. The duty SSA team member will email the class teacher back to confirm the student has arrived. This email will be copied into the Head of Year, Head of area and SMT links.
4. However, if the incident is extremely serious (physical injury, serious abuse, stealing, etc.) or constitutes the second SSA referral that day, the SSA duty staff should contact a member of SMT **immediately**, and will result in a more serious sanction.
5. The duty staff on SSA must enter the student name and incident in the student's Behaviour Record on SIMS.
6. Area Advisers and Year Mangers will regularly check the SSA data to establish patterns, ensure emails were written and contact parents to make them aware that SSA had to be employed.

Referral Guidelines

1. A fundamental aim is to meet the learning needs of all students in their timetabled lessons. The vast majority of students will never be sent to SSA throughout their school career. **SSA should only be used as a last resort for a minority of students and only after stages 1-3 of the Stepped Approach to Discipline have been completed.**
2. SSA referral cannot be seen as a punishment in itself. Although the guidelines for those who manage SSA emphasise the need to make the experience unpalatable, there will always be some students who regard the situation as preferable to that of the scheduled lesson. To be supervised in the class of a colleague of the same subject area can prove very effective in enabling the student to be removed from a destructive situation while maintaining area control of the situation.

Stepped approaches to discipline across the school – 'The Three Strikes Method'.

Inappropriate behaviour/ low level disruption of learning environment by student [e.g. calling out, talking when teacher is speaking, not engaging in classwork.]

Stage 1 - Verbal Reminder of Expectations - Normal stepped approach, use of silent signals, proximity praise, warning / reminder given by classroom Teacher, followed by discussion during or at the end of lesson to positive reinforce conduct expectations.

Staff should record behaviours on students SIMS area using C1 codes. This will record 1 negative conduct point against the student.

A further incident of disruption occurs [e.g. calling out again]

Stage 2 - Formal Reminder and name on board – Remind student of the behaviour that needs to be seen. Let the student know the rule they are breaking. Inform of the possible outcomes if poor behaviour continues. (i.e. Detention or SSA referral) Student's name written on whiteboard.

Staff should record behaviours on students SIMS area using C2 codes. This will record 2 negative conduct points against the student.

Student's poor conduct continues [e.g. failure to follow instructions]

Stage 3 – Detention Set - The classroom teacher issues a 20 minute after school detention with the student and reminds them if poor behaviour continues it will lead to an SSA referral. [Please see Section 12 'Detentions' the school's Behaviour policy for further details of the administration of detentions]. In the case of students who use the school bus, or other local service links, **it should be noted that the detention takes precedence over transportation arrangements. Student's home should be contacted to inform and 24 hours' notice given.**

Staff should record behaviours on students SIMS area using C3 codes. This will record 3 negative conduct points against the student.

Staff should also set a detention via SIMS using the drop down menu of reasons. As soon as this is saved onto SIMS a notification will automatically be sent to parents via App and no duplication of detentions will be allowed by SIMS.

(NB – Staff should only record the highest code required for the level of intervention used)

If the Student fails to respond to warnings Stage 1-3

SSA referral – The Standard email SSA referral to be sent to SSA duty staff along with work for the student. Another student could be used to send work to SSA.

A standard letter will be sent to parents (By the Pastoral Assistant) to inform them that their child has to be sent into isolation for severe disruption to the learning environment. The Head of Year should check that this letter has gone home. (Standard letters for this are available on the school system.)

An SSA referral will automatically lead to a further 1 hour after school senior detention being arranged for the following day in addition to the class teacher's 20 minute detention. This will be included in the SSA letter emailed home.

Duty SSA staff will add senior detention to SIMS record and will record the SSA referral as a C4 code. This will record 4 negative conduct points against the student.
The student's misconduct leads to more than one SSA referral in a day

Where a student is referred to SSA twice in a day the student will be immediately isolated for the rest of the day. Senior link to the student's year group should be informed and the Head of Year should contact parents to inform.

The member of staff responsible for the isolation should add a C5 code onto students SIMS record. This will record 5 negative conduct points against the student.

Promoting our school positively within its community

Expectation of school includes all school events, the journey to and from school and other occasions when uniform is worn or pupils are under school supervision, i.e. smoking, foul and abusive language, damage to public property and anti-social behaviour is not permitted.

The school may act upon any incident / behaviours that are out of school premises and out of school hours if it is deemed to become a barrier to pupil learning or has brought the school's name into disrepute. If judged appropriate such behaviours maybe reported to the police.

Department Behaviour Policy

Department Aims

- To reduce classroom disruption thus improve the quality of learning for all students
- To empower staff to utilise a stepped approach to behaviour management in their classroom
- To reduce the number of fixed term exclusions
- To reduce the number of referrals from lessons
- To achieve an improvement in behaviour and academic performance of targeted students
- To consolidate the role of the home-school partnership in reinforcing behaviour for learning expectations.

Department Objectives

- To help students recognise and understand the consequences of their actions
- To equip students with an understanding of how their conduct effects their own and other students' learning
- To encourage positive changes in behaviour and attitude
- To improve consistency in whole school discipline
- To improve home-school liaison over rewards and sanctions

Every student is expected to follow the school and classroom Code of Conduct (see 'Three Ways to Be', page 4), a home / school agreement has been signed by the student's guardian in agreement with these terms. Departments must be committed to ensure every student they come into contact with is following both the school and classroom code of conduct. If a pupil fails to do so, staff must follow the Department Behaviour Procedures.

If an incident occurs or a member of staff is aware of persistent unacceptable behaviour, the following department behaviour procedures must be followed. These procedures are in line with The Appleton School's whole school systems and policies and are to be followed by every member of each department.

DETENTIONS

Curriculum Area Detention

Criteria, management and consistency issues are the responsibility of the Area Adviser. This should include responding to SSA referrals within own Area of the Curriculum.

- The school detention statement should be added from the SIMS dropdown menu options.
- Area detention criteria should outline that the subject teacher detention should be 20 minutes in duration. If this is not attended a second teacher detention should be set for 30 minutes.
- If this detention is missed then a Head of Area detention should be set for 40 minutes.
- If this detention is missed the link SMT should set detention for 60 minutes after school.
- Failure to attend this sanction will lead to an isolation and a C5 conduct point offence.

Year Detention

Detention criteria

- Behavioural problems – Form Tutor discussion with Year Manager. (Detentions to be added to students SIMS record).
- Truancy – including non-attendance in lessons and Review Period.
- Homework default in a number of curriculum areas or where there is repeated refusal to comply with the Curriculum Area system. (Discussion **MUST** take place with Year Manager first).
- **Persistent** failure to comply with uniform requirements. Letter available for sending home. Student to be 'On Report' for uniform (Lilac) if appropriate.
- Offences at lunch time/non lesson time/travelling to and from school as appropriate following discussions with the Year Manager.
- Smoking.
- Persistent lateness – Friday SMT Lateness detentions.

The Detention system and criteria should be explained to staff and students at the start of the year. The use of detentions being recorded on SIMS and communication with home should also be explained.

The person issuing the detention needs to:

1. Record the detention in the students SIMS record and their teacher's mark book as per Area policy.
2. Set the detention to notify home for the student's record.

The student must bring back the signed detention slip to the detention. The slips then are filed within the Area records.

Communication with parents is essential in order to enlist their support. Therefore, it may well be necessary to phone parents to ensure that they are aware.

Students who are absent on the day a Detention is set, would sit the Detention on their return to school. Students must complete work set during the detention and staff must use this time to discuss an action plan with the student for next lessons.

It should be noted that the detention takes precedence over transportation arrangements.

Ensure all communications with the pupil / parents / guardian are recorded on SIMS log. This early information will become valuable if the pupil fails to engage and incidents escalate.
