

## The Appleton School Sixth Form Results & Destinations

Students in our 2018 Year 13 cohort achieved a solid set of results:

- 100% achieved at least one Distinction grade level at BTEC Level 3 or at least one A-Level pass.
- 98% of students achieved A\*-E A-Level passes (including equivalents).
- 45% of grades achieved were A\*-B grades (including equivalents).
- 73% of grades achieved were A\*-C grades (including equivalents).
- The average Academic grade was C+.

The average Applied General grade was a Distinction

- Over 90% of students who applied for university secured their top choice university.
- 23% students gained a place at a prestigious Russell Group University.
- A 100% Destination rate in total (the percentage of students who continue in education or training, or move on to employment at the end of 16 to 19 study).
- 70% of Year 13 students went to university, 6% found employment and 16% gained an apprenticeship.
- 97% Academic Retention rate, 100% Applied General Retention rate in Year 13 (the percentage of students who get to the end of their study programme).

# DESTINATIONS

Highlighting the breadth of talent at the school, students are progressing onto diverse university courses such as Psychology, English, Maths, Biomedicine, Criminology, Accounting, Law and Midwifery Nursing. We also have students going to a wide range of destinations:

- Ronan who is working for Deloittes, London.
- Matthew who has started an Apprenticeship at Abacus Media
- Joseph who has started Accountancy at Maynard Heady LLP
- Amy who has started an HR Apprenticeship at Benefit HQ, Chelmsford

# DESTINATIONS

There were also a number of impressive individual performances, for example:

- Ella Nevill achieved the top grades in Politics, Psychology and English Literature. Ella will be studying Human, Social and Political Science at Clare College, Cambridge.

UNIVERSITY OF  
CAMBRIDGE

- William Paisley will be studying Physics at Pembroke College, Oxford next year after picking up excellent A-Level results at The Appleton School. He achieved 4 A\*s in Maths, Further Maths, Physics and Chemistry.

UNIVERSITY OF  
OXFORD

- Sarah Kingsley will be studying at Selwyn College, Cambridge next year after achieving the highest possible grades she could as an A-Level student at The Appleton School. She earned an impressive A\* grade in all four of her subjects studied – Maths, Further Maths, Chemistry and Physics.

UNIVERSITY OF  
CAMBRIDGE

- Samuel Mowbrey achieved the highest results he could at at A-Level, gaining 3 A\* grades in Maths Further Maths and Psychology and is looking forward to studying Maths at Warwick University.

WARWICK  
THE UNIVERSITY OF WARWICK

# DESTINATIONS

- Eleanor King achieved 3 straight A grades gained at A-Level in Biology, Chemistry and Maths at The Appleton School. Eleanor will be studying Biomedicine at Leeds University.

**UNIVERSITY OF LEEDS**

- Joseph Phillips is looking forward to his employment in accountancy next year. Joseph gained an A\* in Maths, an A grade in Further Maths and a B in Economics at The Appleton School.

**aat**

Year 12 AS Level results were also very pleasing.

- Simmi Sangha achieved A grades in Biology, Chemistry, Maths and Psychology and an A\* in an extended project qualification.

- Isobel Murray who achieved 3 A grades in her AS levels, studying English Literature, Physics and Maths and 1 A\* in EPQ

We wish all our Year 12s every success with their upcoming applications for UCAS and apprenticeships.

**ACHIEVING EXCELLENCE**
