*Achieving Excellence*

13<sup>th</sup> March 2020

Dear Parent/Guardian,

The Appleton School can confirm that a family member of one of our pupils is self-isolating following advice from NHS 111/Public Health England in relation to coronavirus (covid-19).

I have sought advice from Public Health England and they have advised that there is no need for us to take any further action. This parent has not been in school. The pupil whose family member who is self-isolating is also not in school. The student has no symptoms. Public Health England have confirmed that we need to take no further action at this stage.

We will continue to be vigilant with cleanliness and in ensuring we are aware of the symptoms and latest expert advice. The latest advice and guidance can be found on the NHS website or via this link:

<https://www.nhs.uk/conditions/coronavirus-covid-19/>

You may also be aware that the Prime Minister yesterday stopped all planned school trips abroad. We will of course be following this advice. At this stage we are unsure about how long this advice will last but we will continue to keep you updated. The latest advice on this issue can be found here:

<https://www.gov.uk/government/publications/guidance-to-educational-settings-about-covid-19/covid-19-travel-guidance-for-the-education-sector>

I will update you if there is any further information I need to share.

Yours sincerely

Mrs K Kerridge  
Headteacher
