

# The Appleton School

5<sup>th</sup> September 2024

Dear Parent/Carer,

Following our news in the parental bulletin at the end of last term, we are excited to announce that we have launched Arbor, a new Management Information System in school which replaces SIMS and Edulink. This migration has now reached a stage where we feel we can release access to the system to you.

Adopting Arbor will allow us to communicate with you more efficiently and bring all core school data and workflows into one system. As a parent, you will receive messages and notifications from the school through Arbor and can also check on your son/daughter's timetable, attendance, achievements, behaviour points and more.

The Arbor parent/guardian app can be downloaded from the App Store for Apple devices or Google Play Store for Android devices. I have included some links below about the app to help you get started.

[Arbor Parent/Guardian App Welcome](#)

[Arbor Parent/Guardian App Video Guide](#)

[Arbor Parent Add Help Page](#)

You will receive an email from Arbor over the next few days with details of how to log into the app for the first time. You can also enter the email address that you have registered with the school and click change your password.

If for any reason you are not receiving emails from the school, please check the junk mail section of your email account in case correspondents from Arbor are being sent here.

Yours Sincerely,

Mr P. Norman  
Assistant Headteacher

Headteacher: Sarah Cox, BA (Hons)

Croft Road, Benfleet, Essex, SS7 5RN **Tel:** 01268 794215
