

The Appleton School

Thursday 1st May, 2025

Dear Parent/Carer,

We need to make parents aware of a technical issue within our catering department. Our maintenance contractor will be carrying out urgent repairs on the main kitchen freezer on Tuesday 6th May.

Our catering team are working hard to plan ahead for this event and will try to minimise disruption.

The catering team are aiming to be able to deliver a full service while the work is carried out. However, they may have reduced supplies dependent upon fresh delivery schedules. Therefore, please can you ensure your child comes to school with enough snacks on Tuesday 6th and Wednesday 7th May, as a precaution only.

Please note, provision of Free School Meals will be unaffected.

Thank you for your help and understanding while the repair is completed.

We apologise for the inconvenience.

Yours sincerely,

Ms S Cox
Headteacher
