

4th September 2024

Dear Parent/Carer,

Clubs & Enrichment Activities

Clubs and afterschool activities can play a vital role in the all-round development of your child, providing fantastic support and opportunities to continue learning outside of their usual school day.

Here at The Appleton School, we want to broaden students' horizons, further developing their subject knowledge as well as individual talents and skills. We want students to have every opportunity to explore a range of interests and unlock passions they never knew they had.

Additionally, afterschool and lunchtime clubs will give your child the opportunity to mix with the wider school community; make new friends and develop key social and life skills.

We have attached a copy of the Club & Enrichment Activities booklet for your reference as well as all the sports activities being offered to your child. We highly recommend and encourage students to sign up to at least one club this term. Please note that all these clubs will commence from **Monday 16th September 2024**. If you have any queries, please do not hesitate to contact our main school office, who will be able to assist you with your queries.

Yours faithfully,

Mr J. Harji
Director of Community & Enrichment

Headteacher: Sarah Cox, BA (Hons)
