

January 2026

Dear Parents and Carers,

I am writing to inform you that on Monday 2nd February 2026, Essex County Fire and Rescue Service will be visiting our school as part of a joint initiative with the police to deliver an education programme to children and young people in Essex.

As part of the programme, ECFRS will be delivering a presentation on Road and Pedestrian Safety to year 7. The session will focus on the role of the Fire Service in keeping pedestrians safe and also how to make safer independent journeys by understanding the risks and how to reduce the risk of harm. The session will take place during the Year 7 CAPE lesson on the 2nd February 2026.

We understand that this is a serious and sensitive subject, and we recommend that parents and carers discuss it at home with their children and young people. If you have any questions or concerns, please do not hesitate to contact the school.

Thank you for your cooperation in this matter.

Yours sincerely,

Mr J. Gill
