Dear Year 8 Parents and Carers,

## Re: Mathematics End of Term Assessment – Monday 10<sup>th</sup> November

The Year 8s will be sitting their end of Term 1 mathematics assessment on Monday 10<sup>th</sup> November.

This exam will be a **calculator paper**, so we kindly request that all students **bring in their calculators to school**. We will be unable to provide students with calculators for this exam. It is also expected that all students will bring basic equipment to the examination including a black pen, pencil, and ruler.

A list of revision topics with the corresponding Sparx codes has been uploaded to Satchel One, along with a revision booklet for students to work from. Please also see the revision list below:

Units	Sparx topic codes
Percentages of amounts	M437 M905

Students have been given this week to revise in class, but it is strongly recommended that students are revising at home, as well. This assessment will be informing set changes.

Thank you for your continued support, and we look forward to seeing the students' progression and achievement across this term in maths.

Yours sincerely,

Miss Emmins
