

December 2024

Dear Parent/ Carer

Year 9 Internal Examination Timetable - Monday 6th January – Friday 17th January 2025

Please find attached a copy of your child's examination timetable for the period **Monday 6th January – Friday 17th January 2025**. A copy has also been emailed to your child as well. We have also shared here a list of revision topics for each subject, so students can start to prepare for these examinations over the next few weeks.

All of our examinations are timetabled in classrooms and will be completed under exam conditions. It is also expected that all students will bring basic equipment to each examination including a **black pen**, pencil, ruler and calculator, where appropriate. Where other equipment is required, this will be explained to the students.

As you will be aware, the results from these examinations will be used to calculate your child's current grade in each subject and this will be shared with you via Progress Reports. They will also help us to understand your child's strengths and areas for development moving forward.

May I thank you for your continuing support in ensuring that your child prepares as thoroughly as possible for the examinations, recognising their importance and always striving to achieve their personal best.

If you have any further queries, please do not hesitate to contact myself or Mrs Stiff – Examinations Officer.

Yours sincerely

Miss B Cooper
Assistant Headteacher
