EXAM NOTES:

**Before your exam:**

- **Highlight** all those examinations that apply to you.
- Plan your time well, do some revision and see your teachers now if you have any concerns.

**During your exam:**

- Sit down quickly and quietly.
- Listen to the instructions you are given.
- Do not look around or speak to anyone and put your hand up if you need anything.
- Read the questions carefully and attempt every question.
- Try your best and strive to reach your full potential.
