

27th November 2025

Dear Parents and Carers,

Re: Mathematics End of Term Assessment – w/c Monday 8th December

The Year 10s will be sitting their end of Term 1 mathematics assessment during the week commencing Monday 8th December.

This exam will be a **calculator paper**. We kindly request that all students bring basic equipment to the examination including a black pen, pencil, and ruler **including a calculator** as we will be unable to hand out equipment.

A list of revision topics with the corresponding Sparx codes has been uploaded to Satchel One, along with a revision booklet for students to work from. Please also see the revision list below:

Units	Sparx topic codes
Repeated percentage change	U332 U988
Surface area	U871 U523 U893 U334 U561
Volume	U484 U116 U617 U350 U543
Linear simultaneous equations	U760 U757 U836 U137
Rearranging formulae	U181 U191
Right-angled trigonometry	U605 U283 U545 U627 U967 U164
Constructions and loci	U820

Students will be given at least two hours of revision time in class, but it is strongly recommended that students are revising at home, as well. This assessment will be informing set changes.

Thank you for your continued support, and we look forward to seeing the students' progression and achievement across this term in maths.

Yours faithfully,

Miss E. Anley
KS4 Mathematics Coordinator
