

6th February 2025

Dear Parents/Carers,

As we move through the school year, I would like to provide you with an outline of the key dates and events for your child in Year 10. These dates are important to support their academic progress and future opportunities.

Key Dates for Year 10:

- **Parent Consultation Evening: Thursday, 27th March**
This is an opportunity to discuss your child's progress with their teachers and address any questions or concerns you may have.
- **English Speaking Exams: Week commencing Monday, 2nd June**
These exams are part of your child's English GCSE and assess their ability to communicate effectively in spoken English.
- **Pre-Public Examinations (PPEs): Monday, 16th June – Friday, 4th July**
PPEs provide valuable experience in preparing for and sitting formal examinations, and they help us assess your child's progress.
- **Work Experience Week: Dates and further details will be sent separately**
This is a fantastic opportunity for students to gain valuable insight into the world of work and develop key skills for their future.

Please ensure your child is well-prepared for these important dates and encourage them to approach each event with their best effort. If you have any questions, or require further details about any of the events mentioned, please do not hesitate to contact us at the school office.

Thank you for your continued support in helping your child achieve their full potential.

Kind regards,

Dr Reay
Associate Assistant Headteacher
