

May 2025

Dear Parent/Carer,

We are incredibly proud of the way the Year 11 students have conducted themselves so far and we hope it continues. Students have commented that they feel that the papers, to date, have gone well; this will be down to their hard work and all of the strategies we've implemented to support them.

To clarify if students have a day where they have no exams and no drop-downs then they can study at home that day. If your child does not have an appropriate space to revise at home and you would like them to have a space to revise in school then please sign them up here: <https://forms.gle/e5wTasCRespa34kC6> please encourage them to bring their own revision resources for these sessions.

Please see the drop down timetable, post-half term, below. We wish the Year 11s every success and hope their positivity continues, further to this we hope they can have some semblance of a break over half term between their revision. Dr Reay has also sent home the extra revision sessions occurring over half term to help give the students structured revision during the holidays.

Yours sincerely,

Mr J Hannan
Deputy Headteacher

Headteacher: Sarah Cox, BA (Hons)
