Dear Parents/Carers,

Re: Launch of the ASPIRE Revision Programme

I hope this letter finds you well. As we continue to support our students in achieving their full potential, I am delighted to introduce our new revision programme, **ASPIRE**. This initiative, which stands for the **Appleton School Program for Inspiring Resilience and Excellence**, is designed to provide students with the tools, strategies, and confidence they need to excel in their upcoming examinations.

The **ASPIRE Revision Programme** focuses on:

- **Inspiring Resilience:** Equipping students to stay motivated and overcome challenges.
- **Fostering Excellence:** Encouraging every student to aim for their personal best and celebrate progress.
- **Comprehensive Preparation:** Providing structured plans, effective revision strategies, and tailored resources for each subject.
- **Building Independence:** Developing skills for focused and effective self-study.

Key Details of the Programme

The next two weeks will have a focus on English, Maths and Science:

THE APPLETON SCHOOL

To launch ASPIRE, we will be hosting an information evening for parents and carers on **Thursday 9th January at 5:30pm** at the school, free tickets can still be reserved here: <https://www.eventbrite.co.uk/e/revision-and-examination-conference-tickets-1116403867019?aff=oddtcreator>. This event will provide further insight into the programme and offer guidance on how you can support your child at home during this critical period.

In addition to this, students will be revising English, Maths and Science during registration each morning, on a Tuesday they need to report to their Maths classroom for registration and their normal tutor rooms on the other days. A further 15 minutes of revision a day, targeted key areas can make a real difference to our students.

Further resources to support your child's revision and to support their wellbeing can be found on the school website here: <https://www.theappletonschool.org/students/revision-resources>.

We believe that, together, we can help our students achieve their ambitions and prepare them for a bright future. If you have any questions or require further information, please do not hesitate to contact the main office at the school. Thank you for your continued support.

Yours faithfully,

Mr J Hannan
Deputy Headteacher
