

July 2025

Dear Parent/Carers,

Examination results day will be on Thursday 21st August. GCSE Results can be collected from the school between 8.30am - 12pm. Any hard copies not collected will be sent home in the post via second class mail. It is important to have your physical copies as post-16 providers may need to have evidence of this to be able to process any enrolment applications.

Upon receipt of your results, the Sixth Form team will be available in the main hall from 9am to be able to enrol students on to their chosen Sixth Form courses. If you have not met all the entrance requirements, or you wish to make any changes to your application, then we will be available to help you with any of these concerns, as we will do our best to make sure you are on the most suitable course.

If you are away on results day, you will need to email resultsdayenquiries@theappletonschool.org to find out the arrangements about obtaining your results. However, to enrol in the sixth form, we will be available to take your call, so please call in to the school on 01268 764215 and ask to be put through to the sixth form enrolment team, or use extension 222. We will be available on the phone between 12:30-2:30pm.

For any other queries linking to results day, please use the email address above. We wish your child the best of luck with the upcoming GCSE results day and hope to see you enrol with us.

Yours sincerely,

Mr M Lawrence
Acting Head of Sixth Form
