Dear Parents/Carers,

Re: Year 11 ASPIRE Revision Programme & Half Term Holiday Intervention Sessions

I am writing to inform you of the intervention programme available to Year 11 students following the February half term. This programme will run until the GCSE exams, after which we will switch to an alternative intervention programme to best support your child during the GCSE period.

The core subjects (Maths, English, and Science) will run on Tuesday, Wednesday, and Thursday. Students will need to go to their subject areas, where they will be allocated a classroom for their intervention. On Mondays and Fridays, we are offering students the opportunity to select the intervention they would like to attend. Students will need to go to the allocated rooms on the timetable provided below.

Key Details of the Revision Programme:

When?	Monday	Tuesday	Wednesday	Thursday	Friday
Before school (8:00 – 8:30am)	Supervised general revision in Resource Centre

We strongly encourage all Year 11 students to participate fully in the ASPIRE intervention programme, as it has been carefully developed to complement their learning and boost their performance.

As a reminder, students will be revising English, Maths and Science during registration each morning. On a Tuesday, they need to report to their Maths classroom for registration and their normal tutor rooms on the other days. A further 15 minutes of revision a day, targeting key areas can make a real difference to our students.

Half Term Holiday Intervention

In addition to the Intervention programme the Music and Art Departments will be running the following sessions over the **Half Term break**:

Subject	Date	Time	Location	Staff
Music	Monday 17th February	10am-2pm	i3	DSE
Music	Wednesday 19th February	9am-4pm	i2	PNO
Art	Tuesday 18th February	9am-12pm	T11, T13 & T16	EGR, AB & BEC

Students will need to arrive at the Main Reception, where they will be collected by a member of staff on site.

Further resources to support your child's revision and to support their wellbeing can be found on the school website here: <https://www.theappletonschool.org/students/revision-resources>.

We believe that, together, we can help our students achieve their ambitions and prepare them for a bright future. If you have any questions or require further information, please do not hesitate to contact the main office at the school.

Thank you for your continued support.

Yours sincerely,

Mr J Hannan
