Dear Parent/Carer,

Re: Year 11 Study Support Final Arrangements

To support students who do not have a scheduled drop-down session on the afternoon of Friday 23rd May, Year 11 may leave school at **1:25pm** (lunchtime). However, it is **essential** that any students who have a timetabled drop-down lesson period 5 remain in school and attend this session as normal. These sessions are vital for final exam preparation and must not be missed.

Following the half term break, Year 11 will still be expected to attend for all their exams and drop down sessions. We ask for your support if your child is either in school for the full day (if they have drop-down sessions) or leaves after their exam if they do not have a drop-down. Please encourage students to bring revision materials.

We appreciate your understanding and support in helping us to balance preparation time with key revision opportunities in school, while also considering the impact on student wellbeing. If you have any questions regarding your child's schedule on Friday 23rd May, please do not hesitate to contact us.

Yours sincerely,

Mr J Hannan
