

30th September 2025

Dear Parent/Carer,

We would like to warmly invite all our parents and carers to our **Year 8 Curriculum Evening** on **Monday 20th October** from **5:30pm to 6:30pm** in our **Main Hall**.

This evening will be an opportunity for you to hear from senior staff about key information for the year ahead. We will be sharing what your child will be studying in each of the three core subjects, how your child will be assessed, expert revision strategies and the range of support systems in place to help and guide your child.

We understand the importance of a strong partnership between teachers and parents/ carers. These Curriculum Evenings are designed with this partnership in mind. This is a valuable opportunity to understand how we are preparing students for success and how you can best support your child at home.

To secure your place, please use the Eventbrite link below.

There are 120 tickets available. Please be assured all information will be shared on our school website after the event if you are unable to secure a ticket.

We look forward to welcoming you on the evening. If you are able to, we would highly recommend walking to the school site for this event. If any parents are driving, we ask you enter through Gate B, which is signposted for you.

Kind regards,

Miss B Cooper
