Dear Parent/Carer(s),

RE: Upcoming GCSE English Exam Workshops for Parents

I hope this email finds you well. I wanted to reach out and share some exciting news about two upcoming events we are hosting at The Appleton School to support parents during the GCSE exam period.

We want to support you to feel confident in the exam process as we recognize that working collaboratively together only enhances the successful outcomes for our students. To help demystify the exams process, we are hosting two informative parental workshops that will provide insights into the exam structure, format, and expectations for English Language and Literature.

During this event, you will have the opportunity to gain a deeper understanding of the GCSE English exams and leave with the confidence to best support your child's success and fulfil their academic potential.

If you would be interested in attending one or both of these sessions, please book your free tickets using the links below. Spaces are limited, and we will be running a first-come, first-served basis. However, if the demand is high enough, we will add additional dates and sessions.
