

Congratulations!

The Appleton School congratulates the summer 2025 Sixth Formers on their record-breaking A-Level and BTEC examinations. Students achieved our best set of results, in the history of our Sixth Form.

We congratulate all of our students on their results and are absolutely delighted about all of our students' success. These results are record-breaking and the highest in the history of the school and are testament to the incredible efforts of the hardworking students and teaching staff at The Appleton School.

We are hugely proud of all our students. We join the students and their families in celebrating their fantastic achievements, which represent the culmination of many years spent studying. We thank the students and the whole school community for their unfailing support and determination and wish all of our students every success in the future.

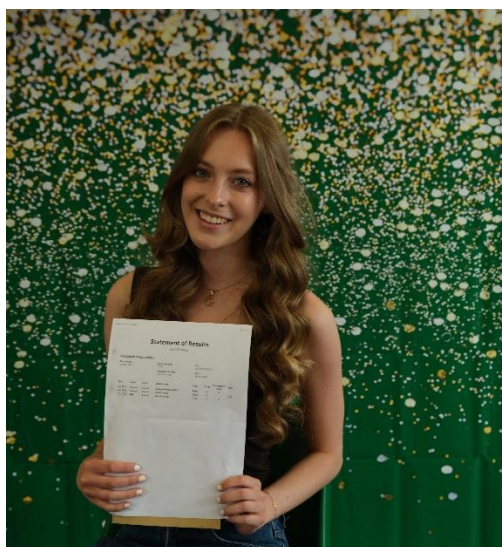

Students in our 2025 Year 13 cohort achieved an excellent set of results:

- 32% achieved A*-A or equivalent
- 68% achieved A*-B or equivalent
- 98.7% of students achieved A*-E in A Level qualifications
- The A-Level Value Added score was +0.32 and above the national average
- The average grade at A Level was B-
- The Applied General Value Added score was +0.51 and above the national average
- The average grade in Vocational Programmes was "Distinction"
- 61 students in our Sixth Form applied to University and were all successful in gaining University places.
- 25% of students gained a place at a prestigious Russell Group University.
- 77% of Year 13 students went to university, 23% found employment, gained an apprenticeship or continued with further training.

- 94% Retention rate in Year 13 (the percentage of students who get to the end of their study programme).

Highlighting the breadth of talent at the school, students are progressing onto Higher Level Apprenticeships in Finance and Engineering as well as diverse university courses such as Computer Science, English, History, Law, Pharmaceutical Science, Psychology, Medicine and Chemical Engineering. There were also a number of impressive individual performances, for example:

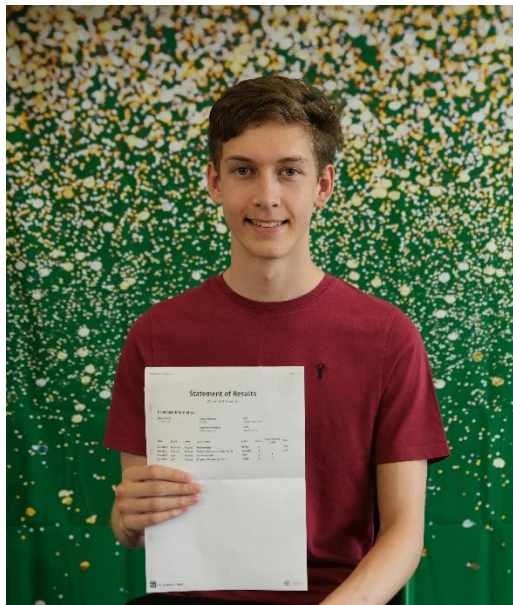

Gemma Clift received outstanding grades this year. Gemma will be studying Biomedicine at the University of Warwick after achieving a number of the highest possible grades she could as an A-Level student at The Appleton School. She earned A* grades in Biology, Chemistry and Maths.

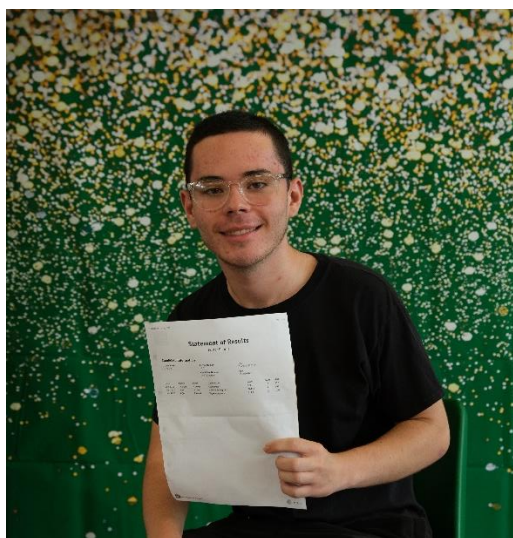

Jacob Walter achieved very impressive grades in Mathematics, Further Maths and Physics as an A-Level student at The Appleton School. Jacob achieved the top grades – three A* across all his subjects and will be studying Maths at Warwick University.

Hayden Wakefield will be studying Chemical Engineering at Nottingham next year after picking up excellent A-Level results at The Appleton School. He achieved four A grades in Math, Further Maths, Chemistry and Physics.

Ronnie Foster also received outstanding results this year. He achieved A grades in both History and Psychology and a grade B in Economics alongside an A* in EPQ as an A-Level student at The Appleton School. Ronnie is going on to the University College London to study History.

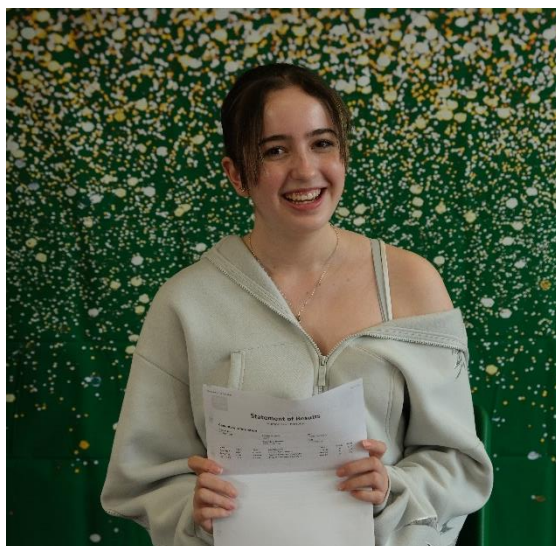

Harrison Munday will be studying Actuarial Science at the University of York next year after picking up excellent A-Level results at The Appleton School. He achieved an A* in History and Psychology a B grade in Maths as an A-Level student at The Appleton School.

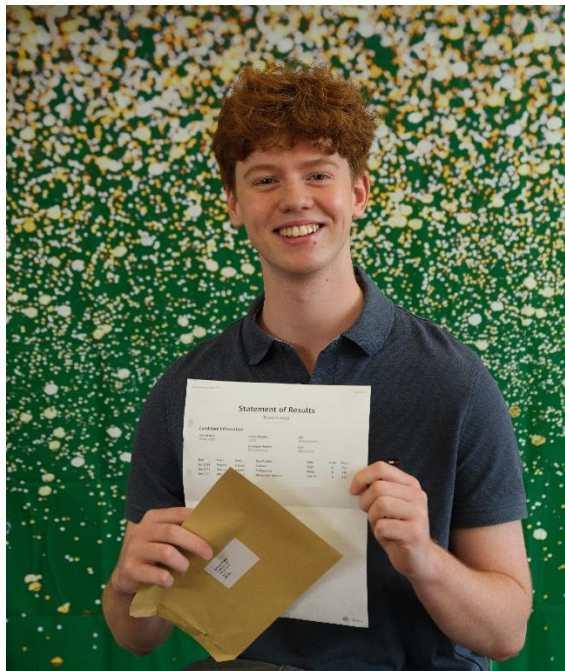

UNIVERSITY
of York

Charlotte Humphries also received excellent results as a A-Level student at The Appleton School, achieving an A* in English Language, an A in English Literature and a B grade in History. Charlotte will be taking up a Apprenticeship next year in nursery education.

George Toner will be studying Economics at the University of East Anglia next year after picking up excellent A-Level results at The Appleton School. He achieved an A* in Business, an A in History and a B grade in Maths as an A-Level student at The Appleton School.

Tilly Jones and Dominic Quinn both achieved fantastic results on their vocational courses, attaining a Distinction* Distinction* Distinction in their BTEC Sport Extended Diplomas and both Tilly and Dominic will be studying for a Physical Education degree with teacher training at the University of Brighton next year.
